Nova Leap Health Corp. Announces the Commencement of OTCQX Trading

HALIFAX, Nova Scotia, May 21, 2021 - NOVA LEAP HEALTH CORP. (TSXV: NLH) (OTCQX: NVLPF) (“Nova Leap” or “the Company”), a home health care organization ranked #2 on the 2020 Report on Business ranking of Canada’s Top Growing Companies, is pleased to announce that its common shares are now trading on the OTCQX Best Market under the ticker symbol of NVLPF. The OTCQX Best Market is the highest market tier of OTC Markets on which 11,000 U.S. and global securities trade. Trading on OTCQX will enhance the visibility and accessibility of the Company to U.S. investors. Nova Leap’s common shares will continue to trade on the TSX Venture Exchange under the symbol NLH.

The OTCQX Best Market provides value and convenience to U.S. investors, brokers and institutions seeking to trade NVLPF. The OTCQX Best Market is OTC Markets Group's premier market for established, investor-focused U.S. and international companies. To be eligible, companies must meet high financial standards, follow best practice corporate governance, demonstrate compliance with U.S. securities laws, be current in their disclosure, and have a professional third-party sponsor introduction.

Nova Leap is in the process of securing Depository Trust Company ("DTC") eligibility for its common shares. DTC manages electronic clearing and settlement of publicly traded companies across the United States and in 131 other countries. Trading through DTC allows for cost-effective clearing and guaranteed settlement, simplifying and accelerating the settlement process of daily trades. U.S. investors can find current financial disclosure and Real-Time Level 2 quotes for the company on www.otcmarkets.com/stock/NVLPF/quote.

"We are pleased to reach the milestone of trading on OTCQX, as this will make it easier for our U.S. employees and investors to purchase shares in Nova Leap," said Chris Dobbin, President and CEO of Nova Leap. "A significant portion of Nova Leap’s business is in the U.S. and the feedback we have received from U.S. based investors suggested that OTCQX was a natural progression for the Company."

NEWS RELEASE

FORWARD LOOKING INFORMATION:

Certain information in this press release may contain forward-looking statements, such as statements regarding future expansions and cost savings, the Company's expected annualized recurring revenue run rate and plans regarding future acquisitions and financings. This information is based on current expectations and assumptions, including assumptions concerning general economic and market conditions, availability of working capital necessary for conducting Nova Leap's operations, and Nova Leap's ability to integrate its acquired businesses and maintain previously achieved service hour and revenue levels, that are subject to significant risks and uncertainties that are difficult to predict. Actual results might differ materially from results suggested in any forward-looking statements. Risks that could cause results to differ from those stated in the forward-looking statements in this release include the impact of the COVID-19 pandemic or any recurrence, including government regulations or voluntary measures limiting the Company's ability to provide care to clients (such as shelter-in-place orders, isolation or quarantine orders, distancing requirements, or closures or restricted access procedures at facilities where clients reside), increased costs associated with personal protective equipment and sanitization supplies, staff and supply shortages, regulatory changes affecting the home care industry, other unexpected increases in operating costs and competition from other service providers. All forward-looking statements, including any financial outlook or future-oriented financial information, contained in this press release are made as of the date of this release and included for the purpose of providing information about management's current expectations and plans relating to the future. The Company assumes no obligation to update the forward-looking statements, or to update the reasons why actual results could differ from those reflected in the forward-looking statements unless and until required by securities laws applicable to the Company. Additional information identifying risks and uncertainties is contained in the Company's filings with the Canadian securities regulators, which filings are available at www.sedar.com.

CAUTIONARY STATEMENT:
